INTRODUCTION

This bibliography represents materials pertaining to the United States Air Force Academy from 15 August 1964 to 31 December 1967. It is published as a supplement to the original bibliography, issued in 1966, which covered the ten year period 15 August 1954-15 August 1964.

This supplement follows the policies which were set up for the ten-year bibliography and described in its introduction. It is only necessary to note that references to the daily Congressional Record are again cited, this time giving location by part of the final bound edition of the volumes.

Compiling and indexing were again done by Mrs. Ottie K. Sutton, Social Sciences and Humanities Reference Librarian, Public Services Division of the U. S. Air Force Academy Library.
